

# Vision Coverage

## Flexible

- We listen and offer open-sourced solutions
- Preferred pricing
- Broad provider network
- Potential transition allowance
- Integration into clinical tool when paired with UnitedHealthcare or UMR medical programs

## Accountable

- Dedicated account team
- Member-driven contracting process
- No data integration fees to other Health Action Council endorsed vendors

## Effective

- \$65 million in savings to groups using this program since 2013
- Data breach protection
- Service-oriented performance guarantees are available
- Program governed by member-driven Board of Directors

**\$65 Million in Savings to Groups using  
this program since 2013**
