

Better Outcomes for Members

Our custom risk mitigation strategies have helped plan sponsors lower costs, reduce long-term trend, and optimize healthcare spend. Our program is governed by a member-driven Board of Directors.

Adaptable

- Open-sourced solutions, based on member input and feedback
- Innovative solutions lower costs
- Advocate4Me Elite's dedicated nurse and service teams personalize your employees' experience in navigating benefits and connecting services
- Custom Clinical Model offers 50% more outreach by SDoH coordinators to employees with SDoH risk and health disparities at no cost

Accountable

- Access to administrative fee pricing guarantees and custom fees at risk
- Member-driven contracting and plan design process
- Achieve never-event payment protection
- Automatically earn \$30 per participating employee with the opportunity to gain more as participation in the program increases
- National accounts have NPS of 79

Efficient

- Paid \$4.4 million in Growth & Loyalty credits in 2024
- Members get 50% more clinical engagement than other plan sponsors using UHC
- Members enjoy 4.1% trend advantage over the PwC trend of 6.8%
- Loyalty credit available for each 3-year renewal, ranging from \$15-\$25 PEPY
- Custom clinical outreach achieved 4:1 ROI and \$3.2 million incremental savings

Our medical trend for last 13 years stayed under 2.7%, below the industry trend of 6.0%.

Take control of your employee healthcare & benefits costs
