

Ryan Specialty Benefits

Ryan Specialty Benefits is a dynamic employee benefits service provider who delivers innovative solutions for our retail brokers and distribution trading partners for their clients. Every team member is focused on delivering service with speed and expertise. We utilize our industry knowledge, deep relationships, and technology to provide immediate risk evaluation analysis, RFP indications, and informative presentations tailored to your clients.

Solution Destination

Retail brokers come to Ryan Specialty Benefits as the “Solution Destination” for self-insured health plan placement and cost-saving strategies. We have assembled in-house experts from the insurance and healthcare industries to provide a diverse suite of products and services. Our spectrum of solutions allows you to tailor a benefits solution to your clients’ unique needs.

Our industry leading solutions and placement services include:

- Traditional Stop Loss
- Group and Single Parent Benefit Captives
- Level Funded Plans
- Integrated Health Solutions
- Ancillary and Voluntary Benefits
- Pharmacy Consulting
- Complex Claims & Cost Containment
- Occupational Accident Product

In-house Expertise

There is significant pressure on retail brokers to provide innovative solutions in compressed timeframes and not always enough resources to execute quickly. We leverage our in-house experts to help you meet your clients’ current needs and anticipate what’s next.

ACTUARIAL TEAM

Our actuaries utilize data intelligence and in-house risk expertise with keen analytical and problem-solving skills.

DATA AND ANALYTICS

Our analytics team accesses large datasets and robust predictive modeling tools to provide trends and correlations for your clients.

SPECIALTY BENEFITS UNDERWRITERS

Our underwriters have in-house binding authority, coverage expertise and long-standing carrier relationships.

MEDICAL & PHARMACY CLINICIANS

Our in-house medical and pharmacy experts, including certified nurses, provide actionable strategies to achieve claims savings.

RFP SPECIALISTS

Our advisors provide industry benchmarking and product placement justification in plan design recommendations.

COMPLEX CLAIMS SPECIALISTS

Our specialists proactively monitor high-cost claimants and expedite claim reimbursement.
